MAY BEACH IN A DRIVE.

The track was lightning fast, a good card was offered and consequently Hawthorne drew a big crowd yesterday.

The racing as a rule was close and exciting, the first three finishes being of the hair raising order.

Of course, the three quarter sprint race that had such fast ones as May Beach, Kensington, Miss Rowena, Newgatherer, Geobel and Tulla Fonso entered was the attraction, but none of the other races was lacking in fascinating possibilities and everything taken into consideration it was a grand day's racing.

May Beach was favorite and won the sprint race, but in doing so she had to be fully extended and hard ridden to beat Kensington and Newgatherer. There was a lot of luck in connection with the win of the filly. She was ridden by Nutt, who is a boy with good judgment and in the first place was most beautifully saved during a delay of about twenty minutes at the post. Nutt also got the best of the start and took the shortest route. This percentage did not seem to be enough to make the filly win and at the head of the stretch Nutt resorted to trickery. He was in the lead but May Beach was becoming very leg-weary while Newgatherer, who was on the inside, was running well in hand. Nutt wasted no time and acted cleverly on the spur of the moment. While making the turn he went a trifle wide and tacitly invited Vandusen, who rode Newgatherer, to come up on the inside. The latter saw the opening and being eager to save as much ground as possible naturally started through. Quicker than a flash when Newgatherer got half way through Nutt pulled in on him and sharply shut him off. This put Newgatherer out of the way and for an instant May Beach had everything her own way, but below the eighth post along came Kensington on the outside and as the pair neared the wire she was gaining rapidly on the fast daughter of Bobby Beach—Faithless, but luck was with the latter, and staggering and out to the last ounce she managed to last long enough to get the verdict. In this race Tulla Fonso bolted at the start and was practically left at the post, but she set sail after the leaders and overhuling them with an astonishing burst of speed in the stretch she finished fourth. The filly would undoubtedly have been a keen contender had she left the post on even terms with the others. An accident happened to Geobel and he pulled up quite lame.

For some unknown reason the ring took a strong fall out of the even money favorite Montanus in the last race. There was some ugly talk before the race and this must have reached the ears of Judge Rees. At any rate, he called Everett, who rode Montanus, up on his way to the post and gave him a severe lecture. Evidently the cautioning had a good effect, as Everett beat the barrier about a length, and, being in front by daylight all the way, won pulling up from Racivan.

Murat evidently liked the fast track and the hot weather and in the first event he ran the race of his life. Beauchamp got him off in front and after being with the pacemaker, Lucille Bramble, all the way, he had enough left to stall off both Harry Thoburn and Ed Tipton in the stretch and win in a game way in the fast time of 1:26 1/2 for seven furlongs.

Azua, Tildy Ann and Moot Eagle fought it out in the second race. This was at five and a half furlongs, and three of the fourteen that went to the post were left there by the starter. Tildy Ann got away in front and remained near there nearly all the way. She and Azua hooked up at the eighth post and had a desperate fight to the

wire, the latter setting the verdict by a nose simply through the action of the nod.

Fair Deceiver won the fourth race, a dash of a mile and a sixteenth as she pleased. The filly was entered for \$600, but was run up to \$900 by J. H. Smith. She was retained by C. R. McLe for the usual odd five.

Hagerdon was wisely supported in the fifth race, and after getting through a tight place at the head of the stretch he easily disposed of the 8 to 5 favorite, Calococan.

Jockey Davin has been suspended by Judge Rees. His ride on Racivan the last time he started will be looked into.

GOSSIP OF THE TURF.

The Harlem Jockey Club will continue starting its first race of the day at 2:30 o'clock at the coming fortnightly meeting, although at the next meeting—September 18-30—the shorter afternoon will probably compel a change to 2 o'clock. For convenience of horsemen at the Hawthorne track a representative of the Harlem Jockey Club will be at the Cicero course tomorrow until 10 o'clock to take entries for the race opening at Harlem. Six races are on the card for Monday, the special feature being the event for four-year-olds and upward for an extra purse of \$500, the distance being one and one-sixteenth miles.

Colonel Cassidy will appeal to the courts and his attorneys say that the developments will be sensational. A peculiar point is raised in that Colonel Cassidy is a member of the club, and threatens to stand on his rights as a member, which give him entrance to the grounds at any time. He is hardly likely to attack the legality of the track betting, as before he was disciplined he stated that he would not think of resorting to such measures, though he had been advised to.—St. Louis Sporting News.

When it was discovered that Willis Duff, or Duffy, was a ruled-off person and consequently not entitled to the trainer's license he had secured, the incident was made the text for ill-advised and unwarranted criticism of what would be smart turf scribes were pleased to describe as loose methods in the administration of American Turf Congress affairs. This has led secretary Ed Hopper to make the following conclusive statement of the case:

"About two weeks ago I received information from Chicago to the effect that Duff, who was handling the horses of W. Huffman, had no right to a license. He had been ruled off in California, and never reinstated. I at once wrote to Captain J. H. Rees, the presiding judge, to investigate the matter, and the result was that Duff's license was revoked. That's all there was to the case. Duff was ruled off at the old Bay District track, which was in operation before the advent of the Oakland track. The Bay District track was not a member of the Turf Congress, and, therefore, we were not officially advised of persons ruled off at that track.

"Duff's application for a license this year was properly made out, with the necessary recommendation."

A Lexington, Ky., dispatch to the Enquirer says that Ed A. Tipton, of the Fasig-Tipton Company, New York, purchased today from Turney Bros. of Paris, Ky., the ten-year-old bay mare Puritan Lass, by Soudthrift—Phoebe M. yflower, by Phaeton. Puritan Lass is the dam of Tilly, winner of the Suburban in 1898; also of The Burlington Rule. She is now in foal to Wacatus. She is to be sent with M. id of Balzawa—purchased yesterday to England. The Fasig-Tipton Company has a commission from an English gentleman for a dozen high-class young American-bred mares.

RACING IN ENGLAND.

Mr. George Vochies, of Lexington, Ky., has been spending some months in England. Occasionally he writes to The Thoroughbred Record in interesting fashion concerning turf affairs in England. In a recent letter he says:

"The racing at Goodwood was only fair and the attendance moderate for an English racecourse. As a fashionable meet it was a great success, all the nobility in the kingdom being there. Goodwood equals Royal Ascot in the matter of fashion, but I notice that silk hats and long-tailed frock coats that were universal at Ascot, were in the minority at Goodwood. Straw hats, light colored derbies and sack coats were in order, except with a few oldsters. With Cup day at Goodwood ended a fashionable racing until the Doncaster meeting in September. The nobility are leaving for the sea shore and Switzerland for a change.

"As regards high class horses, the number is small this year. Cyllene and Flying Fox are the only topnotchers of the English turf, and I am not quite prepared to admit that Flying Fox belongs to the highest grade. It is true that he has acquitted himself with credit in all that he has been asked to do this year—with the exception of the Derby—there he staggered. He was all out; the performance at a mile and a half was shabby and did not impress me with the idea that he could last for two and a half miles.

"The best at Goodwood among the three-year-olds and upward were Merman, Newhaven II. and Caiman. Merman, next to Cyllene, is the best horse in England over a distance of ground. At one and one-fourth to one and one-half miles he does not show to advantage, but at two miles and over he is a good 'un. Last season he beat The Rush and Bay Ronald, two of the best handicap horses in England, in the Jockey Club Cup, two miles, one-quarter and thirty-five yards, all carrying 126 pounds, and did the distance in 3:58, up the Cambridge hill. It is idle for the critics here to say that The Rush and Bay Ronald were out of condition. The time made sets all such nonsense aside. Merman, in 1897, as a five-year-old, won the Long Distance Plate at Hurst Park, two miles, with 180 pounds up. He won the same season the Caesarewitch Stakes, and last year he won the Jockey Club Cup over the Caesarewitch course, and now his double event, in winning the Goodwood Stakes, two miles, on Wednesday, and the Goodwood Cup, two and one-half miles with 131 pounds up, on Thursday, places him among the good ones, and in his last race he beat King's Messenger, who won the Cup last year and Newhaven II., a Melbourne Cup, City and Suburban, and Epsom Cup winner. There were two horses here that I picked out last winter that I could honestly commend to my friends in the States for stud purposes at a moderate price, and the two were Merman and Piety. The latter horse won the Manchester Cup, one and three-quarter miles, and the Alexandria Plate, three miles. In the last race he carried 131 pounds and did the distance in 5:26 1/2.

"Caiman, next to Flying Fox, is certainly the best three-year-old in England up to a mile. Up to date he has won six straight races all at a mile. I am sure he can not go over a distance of ground—a mile and a quarter is his limit. Sibola, on the other hand is a game mare and has a good turn of speed, too.

"Huggins has two good two-year-olds in Blacksmith and Democat. The former has won four straight races and has never been beaten. I believe that both he and Democat are in next year's Derby. Blacksmith is by Wolf's Craig, who was by Barcaldine, and is therefore

of the Matchem family, and as there have been only seven horses of that family to win the Derby in one hundred and twenty years, the chances for Blacksmith are very slim, and as the sensations that have been sent over not one of them has been found to like a long road. So I think that if my Lord William and Huggins have any hopes of next year's Derby they must have a dark one by The Sailor Prince or Pontiac that has not shown up yet.

"There have been this year in England about one hundred and eighty American-bred horses, and nearly have appeared on the flat, represented by such stallions as Order, Iroquois, Sensation, Rayon d'Or, Midlothian, Sir Modred, Candlemas, Rey del Rey, Locobatchee, Goldfioch, Hanover, Golden Garter, Tenny, Dobbins, Long Taw, Pontiac, Whistle Jacket, Salvator, Knight of Elerslie, Volante, St. Blaise, Hindoo, Star Ruby, Islington, Riley, Emperor of Norfolk, Saville, Bassettlaw, Darebin, Strathmore, Top Gallant, St. Florian, Hayden Edwards, Sir Dixon, Troutadour, Watercross, Cavalier, Bob Miles and Longfellow. The American contingent have started on the flat 202 times, have won 37 races, 27 being won by those horses under Huggins. They have won altogether \$121,395; of this Huggins' stable has captured \$112,095, leaving \$9,500 to the remainder of the Yankees.

"Sensation heads the list in the value of wins with \$56,000. The Sailor Prince with four winners of \$24,550; then Locobatchee with one winner of \$19,945; Pontiac, with seven winners, \$11,000.

"Huggins keeps winning right along. He is certainly the greatest trainer in England. He is a master of his calling. Most everyone loses sight of the trainer and gives too much credit to the jockey. Of course, Sloan is a great jockey. The condition and success of a horse, however, are due more to the trainer than the jockey. But the spectators never see the trainer, and the jockey is in sight from start to finish, and the people never think that there is any one else connected with the horse. Nevertheless, the man at the head and the one to be praised is the trainer.

"The position of our jockeys on the horse is worth six pounds in a mile, and ten in a mile and a half over the upright position. You cannot drive it into an English jockey's head that one square foot of canvas has less pressure from the wind, which is made by the horse's speed, than two feet of canvas, as a jockey leaning forward presents to the breeze about one-half the sail that he does when sitting bolt up."

NOTES OF THE TURF.

Barney Schreiber made no mistake when he bought Jinks of Pat Dunne at San Francisco last spring. Jinks' value has been doubled since her full brother, Mesmerist, has developed into the best two-year-old of the year. Mesmerist is thought to be another Hamburg by many well-posted horsemen. If he should prove to be as great a racing colt as the son of Hanover showed himself to be in his two and three-year-old form, Schreiber will have a highly valuable acquisition to his broodmare band in the colt's full sister. Jinks promises to win a lot of races for Schreiber before her racing days are over. She ran third the first time she started at Saratoga and won her next start a few days later.—St. Louis Republic.

While riding Bloodhound in the sixth race at the St. Louis Fair Grounds yesterday afternoon jockey George Lynch was thrown from his horse in a collision and died soon afterward from his injuries.

Winner—B. c. by King Eric—May Parks.
Post 18 minutes. Start good. The first three were driving to the limit. Murat was lucky, well ridden and took the short route. He was a good horse today and ran a grand race. The finish on Harry Thoburn was rather weak. Bassinger let him wobble considerably in the last furlong. At one time he would have won on the gelding. As the race was run Ed Tipton was far the best. He badly interfered with at the start and had a rough journey generally. He was much the freshest of the first three at the finish. Bi-hop Reed was all tangled up at the start. He never got straightened out until the stretch was reached and then he finished with a great burst of speed. (The pace) was good. Make him in slower company.
Scratched—13932 McCleary, 104; (14038) Maurice W., 101; 13347 Rose Apple, 85; 13990 Ruskin, 100.

Winner—Ch. f. by Ban Chief—Pamline Lee.
Post 8 minutes. Start bad. The first three were driving to the limit. Azua won through the action of the nod. When the wire was reached luckily it was her turn to be in front. The filly ran more gamely than usual today. Tidy Ann was heavily backed at a false price. Her race was strictly in time. Mont Eagle had bad racing luck. It was enough to beat him. He finished very strongly on the outside and ran the best race. Mission finished resolutely. So did Zaz, who was bumped and jostled at every turn. Diana Fonso stopped badly in the stretch. She had no excuses. Neither had In Debt, who quit badly at the end. Whatever chance Tommy O'Brien had of winning was ruined at the start.
Scratched—13979 Ravenswood, 102; 14055 Brown Thrush, 102; 14055 Aloha II., 102; 14039 All Smiles, 105.

Winner—Ch. f. by Bobby Beach—Faulstich.
Post 19 minutes. Start good for all but Tulla Fonso, who bolted. Won driving and out to the last ounce; second and third driving just as hard. May Beach barely lasted long enough to win. Nutt's clever handling as well as the filly's speed is what won the race. He saved her cleverly at the post and evenally got a flying start. The boy took the shortest route and wisely pinched Newgatherer off at the head of the stretch. May Beach was tired enough to lie down in the last sixteenth. Kensington ran a cracking good race. She was obliged to take the long route or else she perhaps would have won. Newgatherer seems to run well for Vandusen. He was going easily on the turn, when he was shut off and jammed into the fence by May Beach. Tulla Fonso bolted as the barrier went up and was practically left. She made up a lot of ground and finished very strongly. The Lady in Blue ran well. Miss Rowena quit in the stretch. Goebel got into a jam on the far turn and was jumped on. He pulled up very lame.
Scratched—14058 Montgomery, 109; 14088 S. mper Eadem, 100.
Overweights—Newgatherer, 3 pounds; Kensington, 11.

Winner—Ch. f. by Deceiver—Hatt & Vaughan.
Off at the first break to a good start. Won handily; second, third and fourth were driving to the limit. Fair Deceiver is a greatly improved filly and was much the best of this lot. She took the lead early and ran under a double pull all the way. Nutt could have won away off by himself had he so chosen. Title ran a surprisingly good race. He was close to the rail all the way and saved all the ground possible. Young Dixon was stiff and sore and refused to extend himself. Jenkins took the longest route and went around the entire field on every turn. Tappan made a strong bid at the finish. Dog Town showed speed, but quit badly at the end.
Overweights—Young Dixon, 14 pounds.

Winner—B. c. by Esher—Lady Richmond.
Post 14 minutes. Start fair. Won easily at the end after an early drive. Hagerdon luckily got through on the rail in the stretch and virtually stole the race. He won at the end like a

good colt. Caloccan is not game. She was off flying and had no excuses, but hung when the pinch came. Jake Weber's race was a vast improvement over his last performance. Martin Duke was right there. A Winner improved and did not act so green at the post. Oconee is not much. She showed one flash of speed and then retired. Macie Maree and Wig were roughly treated on the far turn. Wallhalla was given numerous chances but refused to break.
Scratched—11817 Homer C. Davenport, 100.

Winner—B. c. by Montana—Flirt.
Off at the first break to a fair start. Won easily; second and third hand ridden only. Montanus beat the barrier and won all the way. The judge cautioned Everett going to the post and he took no chances. Racivan came to life with a start. His last performance would be hard to explain. Owyhee finished very fast. Hindoo's Dream and Synia both had enough after going three-quarters.

RACING FORM'S SELECTIONS.

DAILY RACING FORM has no private information. It seeks none. Its calculations over the horses as they are grouped daily at various racetracks are purely those of general performance and ability as shown by the records and the application and knowledge of its editors and the reports of its correspondents. These calculations are printed daily. Nothing is hidden. All that the staff of the paper knows is put into type. If the selections made nightly are sought by persons outside the daily delivery lines of the paper they will be sent by Western Union night rate messages (collect) at \$5 per track per week. Such service is not solicited, but if it is considered valuable, will be performed.

THE AMERICAN SPORTING MANUAL.

The American Sporting Manual of 1898 is on general sale. It is a record of the turf, billiards, pugilism, trotting, pacing and all the leading lines of sport up to January 1, 1899. All the matter within its pages have been compiled and edited by experts. It prints a list of all the turf and track records (by DAILY RACING FORM's staff), billiard figures, past and present (by John Thatcher), the fights of 1898, with comments (by George Siler) harness records to date and of the past (by John Hervey, the statistician of The Horse Review) and three handicap tables, with directions for their application and expert comment. The Manual, in paper covers, sells at 30 cents and in soft morocco covers at 50 cents.
